<html>We stayed here for 8 nights</html> on our trip to San Francisco from Australia, and we absolutly loved it 😊👍.

From our arrival and check-in, to check-out, service was faultless and facilities were wonderful.👍👍👍

We got a <html>2 bedroom apartment, with 2 bathrooms, and a fully equipped kitchen</html>.

All appliances were state of the art, and our room also had a Bosch washer and a separate dryer, which was really helpful.😊
